Testimonial

"I found Keith to be thoroughly professional, hardworking, and very dedicated to the task of upping my position in the Google Maps search terms.

He moved my website position up 84 places, and I am thoroughly delighted with his contribution to my website optimisation.

Nothing was too much of a task, and Keith was very thoughtful and innovative in his marketing methods.

I would highly recommend Tanit Internet and Keith."

Dr Greg Sher M-Chiro (SA) {moved from 87 to 3 in Google maps for "London Chiropractor" www.chirolondon.com}

Unlike other SEO firms:
